

Interuniversity Institute for Research and Development

*Enabling Interdisciplinary
Research,
Generating Leadership,
Developing Expertise,
and Democratizing Access*

The Republic of Haiti

Higher Education, Knowledge Production & Nation (Re)Building

MISSION STATEMENT

To contribute to the development of high-level research and scientific training in Haiti with the aim of improving the educational, socio-economic and political condition of Haiti's people.

TRANSNATIONAL NETWORK OF SCHOLARS

INURED's strength stems from its access to scholars from around the world that are interested in reshaping and contributing to Haitian academics and policies.

INURED maintains deep connections to diverse sectors of Haitian society including: local government, universities, NGOs, the private sector, international agencies, and marginalized communities.

INSTITUTIONAL OBJECTIVES

- Promote multidisciplinary research
- Contribute to training and renewal of Haiti's intellectual and professional cadre
- Publish scientific reports to inform development policies and interventions
- Develop international research and training networks through transnational exchange
- Create a space for knowledge exchange, reflection and public debate
